HAVILIA

A grand theme that brings us back to the warmth of late afternoons before maghrib during Ramadan.

The sky slowly fades into amber hues, delicate steam rises from a freshly brewed cup of tea, and the sound of family laughter feels closer and more meaningful than ever.

Nostalgia Sendja captures simple moments that feel quietly luxurious, intimate, warm, and timeless. It is a celebration of coming home, not only to a place, but to a feeling.

SIGNATURE TEA RELEASE
RAMADAN 2026

NOSTALGIA SENDJA

Reminiscent of warm childhood evenings with sweet, familiar scents. Paninggaran green tea from Central Java, pandan, coconut and caramel and stevia.

These are ingredients that evoke collective nostalgic memories for Indonesians, as they are often associated with childhood, homemade meals, or traditional street snacks from the past.

Brewing Directions
1 bag / 250 ml | 85°C | 1-3 mins

Food Pairing
Pairs well with sweet traditional snacks with coconut and brown sugar
